

To whom it may concern,

Reference: Elite Recoveries Gauteng (Pty)

I confirm that Elite Recoveries Gauteng (Pty) was employed to conduct a VAT Review of all the VAT transactions of the past 5 years.

The staff of Elite Recoveries was very professional and knowledgeable on all VAT related matters.

I would happily refer Elite Recoveries Gauteng (Pty) Ltd as I consider their service very helpful. They have added value to our organisation as a substantial amount of outstanding VAT was found, claimed from SARS and subsequently received. As they work on a contingency basis there was no risk to us of incurring unnecessary expenditure.

I am very happy with the services offered by Elite Recoveries and can wholeheartedly recommend them to any business for a VAT review.

Yours faithfully,
