To whom it may concern:

Re: VAT Recoveries

We did make use of Elite Recoveries to verify all VAT related transactions with SARS. Although our accounting function is being managed by qualified professionals and well designed systems, Elite Recoveries still managed to discover transactions on which VAT was not claimed. I would recommend their expertise.

A handwritten signature in black ink, appearing to read "JB", with a long horizontal line extending to the right from the end of the signature.

Your sincerely
Jakobus Burger
